Providing of information:

To retrieve information on officer accident reports, calculates to R30.00 as per proposed tariff per page. Officer accident reports consist of four (4) pages, which amount to R120.00 per accident report. On occasion, only part of the information is required by attorneys.

Letting of parking bays:

The current tariff of R50.00per day for the letting of parking bays is still according to the current parking meter fees.

Impounded vehicles:

Problems are experienced when a vehicle is found abandoned, when vehicles are parked causing obstruction for other traffic and vehicles parked on sidewalks endangering pedestrians. The Council however is not in possession of a tow-in vehicle and the Traffic & Security Division must make use of private companies to render these services.
